Istanbul - Turkey
21 - Nov 2027 - 25 - Nov 2027
\$5,800

GENTEX[®]
TRAINING CENTER

Introduction

Public procurement plays a crucial role in ensuring efficient, transparent, and accountable acquisition of goods and services by governments and organizations. Professionals in this field must possess deep knowledge of procurement policies, procedures, and best practices to meet global standards.

The Certified International Public Procurement Officer (CIPPO) course, provided by Gentex Training Center, is designed to equip participants with advanced skills and expertise in international procurement. This five-day training program covers key principles, strategies, and regulatory frameworks governing public procurement. Participants will gain a solid foundation in procurement planning, contract management, supplier evaluation, risk mitigation, and ethical considerations. By attending this course, procurement professionals will enhance their ability to make informed decisions, comply with international standards, and contribute to their organizations' success.

Certified International Public Procurement Officer (CIPPO) Course Objectives

- Provide an in-depth understanding of international public procurement regulations, policies, and best practices.
- Equip participants with the knowledge to navigate procurement processes effectively and make strategic decisions.
- Strengthen participants ability to manage procurement risks and ensure compliance with global procurement standards.
- Improve contract negotiation and supplier management skills to optimize procurement efficiency.
- Enhance ethical decision-making in procurement by adhering to transparency, fairness, and accountability principles.
