

CONFLICT RESOLUTION AND MEDIATION SKILLS FOR HR

Singapore - Singapore
23 - Nov 2026 - 27 - Nov 2026
\$5,800

GENTEX[®]
TRAINING CENTER

Introduction

In today's dynamic work environment, fostering a positive and collaborative atmosphere is essential for organizational success. However, disagreements and conflicts are inevitable. HR professionals play a critical role in effectively resolving these conflicts, minimizing disruptions, and fostering productive working relationships. This intensive five-day program, offered by Gentex Training Center, equips HR professionals with the knowledge and practical skills needed to become adept conflict resolvers and mediators. Through interactive workshops, role-playing exercises, and real-world scenarios, participants gain the ability to de-escalate tensions, facilitate constructive communication, and guide employees towards mutually beneficial resolutions.

Conflict Resolution and Mediation Skills for HR Course Objectives:

- Master the core principles of conflict resolution and its role in maintaining a healthy workplace environment.
- Gain a comprehensive understanding of different conflict styles and their impact on communication.
- Develop proficiency in active listening skills and effective communication techniques for conflict resolution.
- Explore various conflict resolution strategies, including negotiation, mediation, and facilitation.
- Master the art of conducting effective conflict resolution and mediation sessions.
- Understand legal considerations and best practices for workplace conflict resolution.
- Analyze real-world case studies to apply conflict resolution and mediation skills in practical HR scenarios.
- Formulate a personalized action plan to utilize conflict resolution and mediation skills within your HR role.

Course Methodology

This interactive program utilizes a participant-centric approach. It blends lectures from conflict resolution experts, interactive workshops, real-world case studies, group discussions, role-playing exercises, and self-reflection activities. Participants actively engage in simulations, practice active listening and communication techniques, and participate in mock mediation sessions. Through experiential learning, participants gain the practical skills and theoretical knowledge needed to navigate conflict situations effectively and become valuable resources in promoting a harmonious and productive work environment.

Who Should Take This Course

- HR professionals, managers, and supervisors seeking to enhance their conflict resolution and mediation skills.
- Employees interested in developing skills to manage disagreements in a constructive manner.
- Anyone interested in gaining the knowledge and tools to navigate conflict situations effectively and promote positive working relationships.
