

CONFLICT RESOLUTION FOR MANAGERS

Doha - Qatar
12 - Apr 2026 - 16 - Apr 2026
\$5,800

GENTEX[®]
TRAINING CENTER

Introduction

Conflict is an inevitable part of any workplace. However, how managers handle these situations can significantly impact team dynamics, productivity, and morale. Effective conflict resolution skills are essential for fostering a collaborative and productive work environment. This intensive five-day program, offered by Gentex Training Center, equips managers with the knowledge and practical skills needed to navigate conflict constructively. Through interactive workshops, case studies, and role-playing exercises, participants gain the ability to identify the root causes of conflict, facilitate open communication, and find solutions that benefit everyone involved.

Conflict Resolution for Managers Course Objectives:

Master the core principles of conflict resolution and its impact on team dynamics.

Develop a deeper understanding of different conflict styles and their influence on communication.

Learn strategies for de-escalating tense situations and fostering a calm and respectful dialogue.

Master techniques for active listening and identifying the underlying issues behind conflict. Develop skills for facilitating productive conversations and guiding teams towards win-win solutions.

Explore best practices for mediating disagreements and fostering collaboration between team members.

Learn how to manage your own emotions and effectively navigate challenging personalities.

Analyze real-world case studies to apply conflict resolution skills in practical scenarios.

Formulate a personalized action plan to address conflict situations effectively within your team.

Course Methodology

This interactive program utilizes a participant-centered approach. It blends lectures from conflict resolution experts with engaging workshops, real-world case studies, group discussions, role-playing exercises, and peer-to-peer learning opportunities. Participants actively engage in practicing different conflict resolution techniques, facilitating conversations, and developing strategies to address conflict situations within their teams. Through experiential learning, participants gain the practical skills and theoretical knowledge needed to become effective conflict resolvers, fostering a culture of collaboration and mutual respect within their teams.

Who Should Take This Course

Managers and supervisors seeking to enhance their conflict resolution skills.

Leaders seeking to create a more collaborative and productive work environment.

Professionals interested in developing their communication and interpersonal skills.

Anyone interested in gaining the knowledge and tools to become a more effective leader who can navigate conflict constructively.
