Course Methodology

This interactive program utilizes a participant-centered approach. It blends lectures from D&I and PR experts with engaging workshops, group discussions, case study analysis, hands-on exercises in developing inclusive messaging and audience outreach strategies, and peer-to-peer learning opportunities. Participants actively engage in brainstorming D&I-focused campaign elements, critiquing existing campaigns for inclusivity, and developing strategies for overcoming potential challenges. Through experiential learning, participants gain the practical tools and theoretical knowledge needed to become skilled and inclusive PR practitioners, enabling them to create campaigns that connect with diverse audiences, build trust, and achieve desired communication goals.
