

MEASURING PR IMPACT

Nairobi - Kenya

24 - Aug 2026 - 28 - Aug 2026

\$5,500

GENTEX[®]
TRAINING CENTER

Introduction

In today's data-driven world, demonstrating the value of public relations (PR) efforts is critical. Simply measuring media mentions is no longer enough. This intensive five-day program, offered by Gentex Training Center, equips participants with the knowledge and practical skills needed to measure the true impact of their PR campaigns. Through interactive workshops, real-world case studies, and hands-on exercises, you'll gain a comprehensive understanding of key performance indicators (KPIs) relevant to PR, learn strategies for data analysis, and discover techniques to translate PR results into meaningful insights for stakeholders.

Measuring PR Impact Course Objectives:

- Master the core principles of measuring PR impact and demonstrating the return on investment (ROI) of communication efforts.
- Develop a strong understanding of different types of PR KPIs and how to select the right metrics for specific campaign goals.
- Learn techniques for data collection, analysis, and reporting using industry-standard PR measurement tools and platforms.
- Master skills for interpreting data and translating complex metrics into clear and actionable insights for stakeholders.
- Explore strategies for measuring the impact of PR activities across traditional and digital media channels.
- Develop skills for effectively communicating PR results and demonstrating the value proposition of PR to leadership teams.
- Learn techniques for benchmarking PR performance against industry standards and competitor activity.
- Analyze real-world case studies to understand how successful organizations measure and showcase the impact of PR.

- Formulate a personalized action plan to implement a comprehensive PR measurement framework within your organization.

Course Methodology

This interactive program utilizes a participant-centered approach. It blends lectures from PR measurement experts with engaging workshops, group discussions, case study analysis, hands-on exercises in data analysis using real-world PR campaign data, and peer-to-peer learning opportunities. Participants actively engage in defining relevant KPIs, analyzing data sets, crafting data visualizations, and developing impactful PR measurement reports. Through experiential learning, participants gain the practical tools and theoretical knowledge needed to become confident and skilled PR measurement practitioners, enabling them to demonstrate the true value of their work and secure ongoing support for strategic communication initiatives.

Who Should Take This Course

- Public relations professionals seeking to enhance their skills in measuring and evaluating PR campaigns.
- Communications and marketing professionals interested in learning strategies for data-driven decision making in PR.
- Business leaders and managers who want to understand the impact of PR activities on key business objectives.
- Anyone interested in developing the skills and knowledge needed to effectively measure and communicate the value of PR initiatives.

Measuring PR Impact Course Outline:

LEARN BOLD. LEAD BEYOND

GENTEX Training Center LLC | Orlando - FL, USA
Info@gentextraining.com
