

ONBOARDING AND NEW HIRE ORIENTATION BEST PRACTICES

Nairobi - Kenya
29 - Jun 2026 - 03 - Jul 2026
\$5,500

GENTEX[®]
TRAINING CENTER

Introduction

A successful onboarding program is the cornerstone of employee retention and engagement. First impressions matter, and a well-designed new hire orientation sets the stage for a positive and productive experience. This intensive five-day program, offered by Gentex Training Center, equips HR professionals, managers, and onboarding specialists with the knowledge and practical skills needed to create and implement effective onboarding programs. Through interactive workshops, case studies, and practical exercises, participants gain the ability to design engaging onboarding experiences, streamline administrative processes, and foster a sense of belonging for new hires.

Onboarding and New Hire Orientation Best Practices Course Objectives:

- Master the core principles of effective onboarding and its impact on employee retention and engagement.
- Gain a comprehensive understanding of the different stages of the onboarding process.
- Develop proficiency in designing and implementing a comprehensive onboarding program tailored to your organization.
- Explore best practices for streamlining administrative tasks and paperwork during onboarding.
- Master the art of creating a positive and welcoming new hire experience that fosters a sense of belonging.
- Understand effective communication strategies for new hires during the onboarding process.
- Analyze real-world case studies to apply onboarding best practices in practical scenarios.
- Formulate a personalized action plan to implement effective onboarding practices within your organization.

Course Methodology

This interactive program utilizes a participant-centric approach. It blends lectures from onboarding experts, interactive workshops, real-world case studies, group discussions, role-playing exercises, and collaborative planning sessions. Participants actively engage in designing onboarding programs, practicing communication techniques, and developing strategies to address common onboarding challenges. Through experiential learning, participants gain the practical skills and theoretical knowledge needed to create winning onboarding programs that contribute significantly to a positive and productive work environment for new hires.

Who Should Take This Course

- HR professionals and onboarding specialists seeking to enhance their onboarding program design and implementation skills.
- Managers and supervisors responsible for integrating new hires into their teams.
- Business leaders interested in improving employee retention and engagement through effective onboarding.
- Anyone interested in gaining the knowledge and tools to create a smooth and positive onboarding experience for new hires.
