

PROCUREMENT & SUPPLIER RELATIONSHIP MANAGEMENT

GENTEX[®]
TRAINING CENTER

Introduction

Effective procurement and supplier relationship management are vital for ensuring business continuity, minimizing risks, and achieving long-term value. Managing procurement processes strategically and fostering strong relationships with suppliers enables organizations to enhance efficiency, reduce costs, and maintain a competitive edge.

The Procurement & Supplier Relationship Management Course by Gentex Training Center is a comprehensive five-day program. It aims to equip participants with the skills to manage procurement effectively, develop robust supplier relationships, and create value through collaboration. This course offers practical insights and strategies for improving procurement operations and ensuring successful supplier engagement.

Procurement & Supplier Relationship Management Course Objectives

- Understand the strategic role of procurement in business success.
- Develop procurement strategies that align with organizational goals.
- Gain skills in supplier selection, evaluation, and onboarding.
- Learn techniques for effective supplier performance management.
- Build long-term, value-driven supplier relationships.
- Understand contract management and negotiation strategies.
- Mitigate risks in the procurement process.
- Use technology and analytics to enhance procurement decision-making.
- Master ethical and sustainable procurement practices.
- Create action plans for continuous improvement in procurement and supplier management.

Course Methodology

The course uses interactive lectures, group discussions, case studies, and practical exercises. Participants will engage in scenario-based learning to apply their knowledge to real-world challenges.

Who Should Take This Course

- Procurement professionals seeking to enhance their skills.
- Supply chain managers involved in procurement operations.
- Business leaders focused on supplier relationship management.
- Individuals responsible for contract negotiation and supplier engagement.
