

REMOTE WORK POLICIES AND MANAGEMENT

Kigali - Rwanda

02 - Mar 2026 - 06 - Mar 2026

\$4,000

GENTEX[®]
TRAINING CENTER

Introduction

The rise of remote work has fundamentally reshaped the modern workplace. Organizations are increasingly embracing geographically dispersed teams, unlocking a wider talent pool and fostering flexible work arrangements. However, effectively managing a remote workforce requires a new set of skills and strategies. This intensive five-day program, offered by Gentex Training Center, equips managers, supervisors, and HR professionals with the knowledge and practical tools needed to thrive in the remote work environment. Through interactive workshops, case studies, and practical exercises, participants gain the ability to develop effective remote work policies, foster a culture of collaboration, and ensure the success of their remote teams.

Remote Work Policies and Management Course Objectives:

- Master the core principles of successful remote work management and its impact on organizational performance.
- Gain a comprehensive understanding of the legal and regulatory considerations for remote work arrangements.
- Develop proficiency in designing and implementing effective remote work policies and procedures.
- Explore best practices for building a culture of trust, collaboration, and communication within remote teams.
- Master the art of performance management and goal setting for remote employees.
- Understand effective communication strategies for fostering engagement and motivation in a remote setting.
- Analyze real-world case studies to apply remote work management strategies in practical scenarios.

LEARN BOLD. LEAD BEYOND

GENTEX Training Center LLC | Orlando - FL, USA

- Formulate a personalized action plan to implement remote work best practices within your organization.

Course Methodology

This interactive program utilizes a participant-centric approach. It blends lectures from remote work management experts, interactive workshops, real-world case studies, group discussions, role-playing exercises, and collaborative planning sessions. Participants actively engage in developing remote work policies, practicing communication techniques, and exploring solutions to common remote work challenges. Through experiential learning, participants gain the practical skills and theoretical knowledge needed to lead and manage remote teams effectively, fostering a productive and thriving work environment.

Who Should Take This Course

- Managers, supervisors, and team leaders seeking to build and manage successful remote teams.
- HR professionals responsible for developing and implementing remote work policies and programs.
- Business leaders interested in optimizing their organization's remote work strategy.
- Anyone interested in gaining the knowledge and tools to excel in a remote work environment.
