

SALES LEADERSHIP & ACCOUNT MANAGEMENT

GENTEX[®]
TRAINING CENTER

Introduction

In the competitive world of business, sales leadership and effective account management are essential components for driving growth, nurturing client relationships, and achieving sustainable success. Sales leaders play a pivotal role in not only managing sales teams but also in shaping the overall sales strategy, fostering a culture of excellence, and ensuring that accounts are well-managed, leading to long-term client satisfaction and retention.

The Sales Leadership & Account Management course provided by Gentex Training Center is specifically designed to enhance the skills and knowledge of professionals responsible for leading sales teams and managing key client accounts. Over the course of five days, participants will acquire strategic insights into effective sales leadership, customer relationship management, and how to manage and grow client accounts for maximum profitability. By understanding the dynamics of leadership, customer expectations, and the best practices in account management, participants will be equipped to drive performance and secure valuable, long-term client relationships.

Sales Leadership & Account Management Course Objectives

- Understand the core principles of sales leadership and their application in driving team performance.
- Develop strategies for coaching, motivating, and leading sales teams to meet organizational goals.
- Understand how to manage and optimize key accounts for greater client retention and satisfaction.
- Learn the importance of communication, relationship building, and trust in managing accounts effectively.
- Master the art of negotiation, conflict resolution, and problem-solving to enhance customer relationships.

LEARN BOLD. LEAD BEYOND

GENTEX Training Center LLC | Orlando - FL, USA
Info@gentextraining.com

- Utilize data-driven insights to track performance, identify opportunities, and optimize account strategies.
- Develop and implement personalized sales strategies tailored to each client's needs and expectations.
- Learn how to create and execute account plans that lead to business growth and high customer lifetime value.
- Understand the sales process from prospecting to closing deals and managing post-sale relationships.
- Explore best practices for aligning the sales strategy with the overall business objectives and organizational vision.

By the end of this course, participants will be ready to take on key leadership roles in sales, effectively manage accounts, and use their skills to drive revenue and enhance customer loyalty.

Course Methodology

The Sales Leadership & Account Management course follows an interactive and practical approach. The training includes a mix of theoretical learning, real-world case studies, group discussions, role-playing, and hands-on exercises. This methodology is designed to ensure that participants can directly apply the concepts learned in their work environment. The course will also include actionable insights, allowing participants to gain practical experience in managing accounts and leading sales teams.

Who Should Take This Course

- Sales Managers and Directors looking to enhance their leadership capabilities and improve team performance.
- Account Managers who want to build stronger, more sustainable client relationships.
- Business Development Managers seeking to grow their client portfolios and increase customer satisfaction.

LEARN BOLD. LEAD BEYOND
