

STAKEHOLDER MANAGEMENT & PUBLIC COMMUNICATION FOR CENTRAL BANK GOVERNORS

Online

08 - Aug 2027 - 12 - Aug 2027

\$2,500

GENTEX[®]
TRAINING CENTER

Introduction

Effective stakeholder management and public communication are critical for central bank governors. The ability to engage with key stakeholders, including government entities, financial institutions, and the public, ensures trust, stability, and transparency in financial governance. This five-day course, offered by Gentex Training Center, equips participants with the essential skills to navigate the complexities of stakeholder relationships while enhancing their public communication strategies.

Governors of central banks play a vital role in shaping economic policies, maintaining financial stability, and managing public expectations. Therefore, their ability to communicate clearly and strategically with various stakeholders directly impacts their institutions' credibility and effectiveness. This course provides a comprehensive framework for understanding stakeholder dynamics and developing robust communication strategies tailored to different audiences.

Stakeholder Management & Public Communication for Central Bank Governors Course Objectives

- Gain a deep understanding of stakeholder identification, analysis, and engagement strategies.
- Learn how to manage relationships with key stakeholders, including policymakers, financial markets, media, and the general public.
- Develop effective public communication strategies to enhance transparency and trust.
- Master crisis communication techniques to address economic uncertainties and financial disruptions.
- Enhance their negotiation and conflict-resolution skills in financial and economic contexts.
- Understand the role of digital media and modern communication tools in stakeholder engagement.

LEARN BOLD. LEAD BEYOND
