

TENDERING, PROCUREMENT & NEGOTIATION SKILLS

Tokyo - Japan
23 - Nov 2026 - 27 - Nov 2026
\$5,800

GENTEX[®]
TRAINING CENTER

Introduction

Effective procurement and negotiation skills are essential for ensuring successful business operations. Organizations worldwide rely on structured tendering and procurement processes to acquire goods and services efficiently, ensuring quality, cost-effectiveness, and compliance with regulations.

The Tendering, Procurement & Negotiation Skills course offered by Gentex Training Center is designed to equip professionals with the knowledge and expertise needed to navigate complex procurement processes, develop successful tenders, and negotiate effectively with suppliers.

This five-day intensive course provides participants with practical insights into procurement strategies, risk management, contract management, and negotiation tactics. Through a combination of theoretical learning and real-world case studies, attendees will develop the skills required to enhance procurement efficiency and drive organizational success.

Tendering, Procurement & Negotiation Skills Course Objectives

- Understand the key principles of tendering, procurement, and negotiation processes.
- Develop and implement effective procurement strategies that align with organizational goals.
- Identify and mitigate risks associated with procurement and tendering.
- Master the art of supplier evaluation, selection, and relationship management.
- Enhance negotiation skills to achieve the best value and contract terms.
- Navigate the legal and ethical considerations in procurement.
- Improve efficiency in drafting and managing procurement contracts.
- Apply practical techniques to optimize cost savings while ensuring quality.
- Understand global procurement trends and best practices.
