

WORKSHOP IN PROFESSIONAL SECRETARIAL AND OFFICE SKILLS

Manama - Bahrain

15 - Nov 2026 - 19 - Nov 2026

\$5,800

GENTEX[®]
TRAINING CENTER

Introduction

In every successful organization, secretaries and administrative professionals serve as the backbone of operational efficiency. They are not only responsible for handling daily tasks but also for representing the company's image, managing information flow, and ensuring seamless office operations.

This workshop has been carefully developed to equip participants with the latest techniques, tools, and interpersonal skills required to thrive in dynamic office environments. From effective communication and document management to organizational excellence and digital office tools, participants will explore the essential competencies needed for professional secretarial roles.

Whether you're managing front office duties or supporting high-level executives, this course offers actionable insights to increase productivity, streamline workflows, and improve workplace collaboration. The content integrates practical examples and interactive exercises to ensure learning is applied effectively in real office settings.

Workshop in Professional Secretarial and Office Skills Course Objectives

- Demonstrate advanced organizational and multitasking skills in an office environment
- Apply professional techniques in communication, document preparation, and scheduling
- Manage meetings, records, and digital files efficiently using modern tools
