

WORKSHOP LEADERSHIP DEVELOPMENT PROGRAMS FOR HR PROFESSIONALS

California, Los Angeles - USA
09 - Nov 2026 - 13 - Nov 2026
\$8,000

GENTEX[®]
TRAINING CENTER

Introduction

Leadership is an essential element in the success of any organization, and the role of Human Resources (HR) professionals in shaping and nurturing leadership is more critical than ever. Effective leadership ensures that organizations can adapt to change, drive innovation, and maintain a competitive edge. This workshop is designed to help HR professionals understand the complexities of leadership development and provide them with the tools and strategies needed to cultivate strong leaders within their organizations.

The "Leadership Development Programs for HR Professionals" workshop offers a comprehensive approach to identifying leadership potential, developing leadership skills, and fostering leadership at all levels of an organization. Participants will explore key concepts in leadership theory, assessment tools, and practical strategies for developing leadership pipelines. The workshop also emphasizes the importance of aligning leadership development with organizational goals and culture, enabling HR professionals to create effective programs that drive business success.

Leadership Development Programs for HR Professionals Workshop Objectives

- Understand the principles and practices of leadership development and how they align with organizational goals.
- Identify key leadership traits and assess leadership potential within the workforce.
- Develop and implement effective leadership development programs tailored to their organization's needs.
- Apply various leadership assessment tools and techniques to evaluate and improve leadership performance.
- Foster a culture of continuous learning and leadership development within their organization.

LEARN BOLD. LEAD BEYOND

GENTEX Training Center LLC | Orlando - FL, USA
Info@gentextraining.com

- Address leadership challenges such as succession planning, mentoring, and creating a leadership pipeline.
- Gain the skills necessary to coach and mentor emerging leaders and guide them through their professional growth.

Workshop Methodology

The workshop will combine a blend of theoretical knowledge and practical application through interactive lectures, case studies, group discussions, role-playing, and real-world scenarios. The hands-on approach ensures that participants not only grasp leadership concepts but can also apply them to their unique organizational contexts.
